2nd French-German Battery Meeting

Date: May 12th, 2021
Venue: virtual

Tentative agenda

10:00 **Welcome and Introduction Cluster "Pôle Véhicule du Futur"**
Bruno Jamet, Pôle Véhicule du Futur, Programs manager, Energy & Propulsion

Welcome and Introduction „Kompetenznetzwerk Lithium-Ionen-Batterien e. V. (KLiB)"
Dr. Michael Krausa, KLiB CEO

Welcome adress by the French and German Ministry of Economy and Finance
Olivier Marfaing , French Ministry of Economy and Finance/ DGE, Project Director
Dr. Tim Schulze, Federal Ministry for Economic Affairs and Energy, Policy Officer

10:40 Johnson Matthey Battery Materials – establishing a sustainable value chain to serve the raising EV demand in Europe
(Johnson Matthey Matterials GmbH, Christian RÜDIGER, Commercial Director Battery Materials)

11:05 Automotive Cells Company (ACC), Jean-Baptiste PERNOT, CEO

11:30 Maximum Cell value against a minimum TCO in Cell finishing
PEC GmbH, Raf GOOSSENS, CEO

11:55 "Texys Sensoren GmbH" part of "Texys Group", Sebastian BORN (Operations Manager)

12:20 Lunch

13:20 A Local and Zero Carbon Source of Lithium
(Vulcan Energy, Vincent Ledoux PEDAILLE, Vice President)

13:45 Hutchinson (Option, or other presenter)

14:10 High quality battery manufacturing from small to large scale production - Taking new technologies from Lab-Scale to production scale.
(UniverCell Holding GmbH)

14:35 Break

14:45 Peugeot-Motorcycle (Option, or other presenter)

15:10 Competence Cluster Recycling & Green Battery (greenBatt) - Closing material loops and engineering sustainable battery life cycles

(Technische Universität Braunschweig, Prof. Dr. Christoph Herrmann, Head of Institute Sustainable Manufacturing & Life Cycle Engineering and Co-director of Institute of Machine Tools and Pro duction Technology)

15:35 EMITECH (Option, or other presenter)

16:00 Final discussion

16:20 Farewell

From 12th to 19th of May: B2B preparation.

Check off of the participants list you wish to discuss with. KLiB & PVF will connect you.

From 25th of May: bilateral and confidential exchange between participants.

General communication about the event by KLiB & PVF.
