

More informations !

Monday 29th

H2ON (Hydrogen Ontario), part of CHA (Canadian Hydrogen Association) - Executive Director - [Hydrogène Ontario – Association canadienne de l'hydrogène](#)
MEDJCT (Ministry of Economic Development, Job Creation and Trade), Senior Account Executive + International consultant - [Ministry of Economic Development, Job Creation and Trade | ontario.ca](#)
Invest in Ontario - [Invest Ontario](#)
Ministry of Energy and Mines - [Ministry of Energy and Mines | ontario.ca](#)
Ontario Regional Office of the Trade Commissioner Service - [Contacts in Canada - Tradecommissioner.gc.ca](#)

Aurora Hydrogen - CSO - **Methane Pyrolysis** - [Aurora Hydrogen | High-Efficiency Clean Hydrogen Production](#)
ETBO - Plan manager - **Production lines/stamping/forming** - [ETBO Tool and Die Inc. - Ontario, Canada - Stamping, Tooling, Engineering](#)
GH Power - COO - **Green Energy Reactors to produce Alumina and Hydrogen** - [Green Hydrogen Power - GH Power](#)
Harvest Green 4H2 Inc. - CEO - **Biomass gasification and carbon neutrality** - [HarvestGreen 4H2 Inc.](#)
Hydrogen Optimized - Director - **Large-scale clean hydrogen electrolysis production systems** - [Hydrogen Optimized™ | Leading Clean Hydrogen Solutions | Hydrogen Optimized](#)
Elemental Trucks Inc. - CEO - **Hydrogen Trucks** - [Elemental Trucks](#)
HONE - Chief Market Dev Officer - **Hydrogen Zero emission Power Generation** - [Hone](#)
HydroCool - Co-Founder & COO - **Hydrogen Zero carbon intelligent mobile refrigeration system** - [Hydro Cool Systems - Association canadienne de l'hydrogène](#)
MTB Transit Solutions - President - **Hydrogen Bus from a Leading Bus Repair & Refurbishment Specialist** - [MTB Transit Solutions | Canada's Leading Bus Repair & Refurbishment Specialist](#)
Pulsenic's - COO - **QA/QC with Rapid Electrochemical Impedance Spectroscopy** - [Pulsenics](#)

Site visit - Accelera (Cummins) - **zero-emission energy solutions for various industries (Fuel Cell, Batteries, ...)** - [Home | Accelera](#)
Site visit - Next Hydrogen - **MW-Scale clean water electrolyzers** - [Green Hydrogen | Water Electrolyzer | Renewable Energy - NEXT Hydrogen](#)

Accuracy - Expert in automotive, mobility, energy, hydrogen - [Automotive - Mobility - Accuracy](#) // [Energy - Environment - Accuracy](#)
One or more companies that could be encountered, not being available during the day

Tuesday 30th

Site visit - Cipher Neutron - **AEM Electrolysers, Reversible Fuel Cells** - [Best Electrolyser Companies: Leading Hydrogen Technology Innovators](#)
Site visit - DynaCert - **Carbon Emission Reduction Technology for diesel engines** - [dynaCERT Inc. | Carbon Emission Reduction Technology](#)

Afternoon: 1 or 2 visits at plane arrival in Montreal: to be defined soon, out of:
A **research laboratory** (If not enough time for universities on thursday/friday).

Airbus
SAF

Alstom
Schneider Electric
Pratt & Whitney

...or any suggestion depending on registered participant to PVF mission.

Evening: networking session with CCI France Canada, Propulsion Québec, and several companies from Montreal (including feedback from french companies located in Montreal).

Wednesday 1st

Site visit: Proticité, ville de Bromont - **aeronautical including hydrogen fuel cell**

helicopter - [World's inaugural hydrogen-powered helicopter makes first flight](#)

Site visit: BRP (Bombardier Recreational Products) - **world leader in the snowmobile, personal watercraft, all-terrain vehicle, side-by-side and 3-wheel motorbike industries** - [BRP Official Website - Bombardier Recreational Products](#)

Hyvolution program from lunch time - 1st event of Hyvolution Canada - numerous conferences and panels, networking 400 participants, and human size 50 stands exhibition - [Hyvolution exhibition | Hyvolution 2025](#)

[Forums program | Hyvolution 2025](#)

Hyvolution Evening at the Cogeco Amphitheatre

Thursday 2nd

Hyvolution the complete day, including France - Quebec networking lunch (For french participants)

Site visit: Air Liquide (Depending on the delegation size)

Site visit: companies in VTE (Vallée de la Transition Énergétique) - To be defined depending on the delegation wishes.

Free evening

Friday 3rd (Universities day!)

Site visit: UQTR (Université du Québec à Trois-Rivières), **especially IRH (Institut de Recherche sur l'Hydrogène)** - [Institut et Centre de recherche - Département de biochimie, chimie, physique et science forensique - UQTR](#)

Site visitS: VTE (Vallée de la Transition Énergétique), ville de **Shawinigan - Electrochemistry and electrification of transportation - 1 or several visits** - [Zone d'innovation || Ville de Shawinigan](#)

Site visit: University Polytechnique Montreal - Activities concerning hydrogen - [Polytechnique Montréal | Polytechnique Montréal est l'un des plus importants établissements d'enseignement et de recherche en génie au Canada](#)

Flight back to France possible on Friday evening (multiple flights from 6:50PM to 11PM).
